## ENVIRONMENTAL POLICY

Vermont Flowers [EPZ] limited recognizes that its activities may have an impact upon the environment both through its routine internal operations and through its influence and effects on the wider community. As such, Vermont Flowers is committed to sustainable development, responsible environmental management, conservation of resources, prevention of pollution and compliance with relevant legislation and other requirements at all levels.

The policy acknowledges a responsibility for, and a commitment to, protection of the environment. Vermont Flowers [EPZ] Limited will therefore comply with environmental legislations and in addition is committed to:

- develop and implement an annual Environmental Improvement Plan;
- promote environmental management policies and practices at every level;
- increase awareness of environmental responsibilities among staff;
- minimize waste and pollution, develop and operate environmentally sound waste management practices;
- promote a purchasing policy which will give preference, as far as practicable, to those products and services which cause the least harm to the environment;
- avoid wherever practical the use of environmentally damaging substances, materials and processes.

This policy shall be reviewed from time to time for its continued suitability in the organization.

Signed.....
