QUALITY POLICY

Vermont Flowers (EPZ) Ltd endeavors to develop genuine and sustainable techniques in preservation of natural flowers and foliage, while constantly creating new designs and products that meet or exceed our customers' expectations.

This is in line with our desire to remain a global leader in production, marketing and export of naturally preserved flowers, foliage, arrangements and other home based interior decorations.

The management of Vermont Flowers (EPZ) Ltd is committed to achieve this Policy through:

- our commitment to comply with requirements and continually improve the effectiveness of our Quality Management System;
- ensuring that Quality Objectives are established and reviewed regularly;
- communication and creation of awareness to our employees on our Quality Policy;
- periodically reviewing our quality policy for continual suitability.

We will ensure therefore that all our employees are involved in the drive for excellence in meeting our Customers' Satisfaction.

Our ability, knowledge and experience are our most valuable resource.
